## ADVENT, THE TIME OF HOPE

It has been a difficult year for so many with the restrictions the Coronavirus pandemic continues to place on us. For many this time of year, Advent, and the preparation for Christmas is so different to what we normally experience. At the beginning of this New Church Year, we are invited to take the time that Advent gives us, to slow down, to reflect, take a step back and focus on what we are preparing for.

We, now more than ever, are a people in need of hope. That is what Advent brings to us. The hope of God's promise to each and every one of us. As God has done for his people in the past, he will do again for us. A belief that we are not alone. That God is with us. After all, that's what Emmanuel means. God-is-with-us.

We need to be prepared for when he comes. His call, in the Gospel, to 'stay wake' is literally meant to be a reminder to us to be on the lookout, to be able to welcome him on his return. Advent, is all about preparation, getting ready and being prepared to welcome Jesus when he comes at the end of time, and that's our focus between now and December 16<sup>th</sup>.

Advent then, is a time for a good stocktaking of our lives and to see how we measure up to the Lord's standards. To recognize the need for God in our lives and to make every effort to prepare ourselves; our hearts and our lives, for the return of the Lord.

### The Pope's Intentions – December 2020

*Intention for evangelisation – For a life of prayer*

We pray that our personal relationship with Jesus Christ be nourished by the Word of God and a life of prayer.

## The Advent Wreath

Most churches and families have an Advent Wreath. The custom wasn't always an Irish one. Wreaths were popular in Germany, Austria and Northern Europe. As people began to travel to these countries they saw the attractive wreaths and brought the idea home. This week end we have one in each of our three Churches as this Sunday November 29th is the first Sunday of Advent. It is a symbol of what Advent means.

**ADVENT**

The circle represents “eternity” and the “faithfulness” of God, it never ends. The **evergreen** foliage is a reminder that Jesus is ready to renew our relationship with Him. The **Four Candles** represent the **four weeks of Advent** and each Sunday another one of the candles is lit. Three **purple** candles and one **rose** colour. Purple is the traditional colour for Advent meaning “**Penance**” and the **Rose** colour in lit on the third Sunday which is **Gaudete** Sunday, or a day of **Rejoicing** that the coming of Jesus is near.

So Advent is a time for us to **prepare** to receive Jesus into our **hearts, our lives, our homes and our parish.**

We need to **invite** Him.

A very short traditional prayer for Advent is simply  
**“COME LORD JESUS”**

We can say this at any time, travelling, in our house or when we pass a Church or Grotto. Having the Advent Wreath in the house the prayer could be said with the children round the wreath, maybe at bedtime or before a meal. Remember when we invite Jesus into our lives **He will never come empty handed.** He will come to you with **some special gift or blessing**, something He knows you need. But you have to be **READY** and **WAITING.** So “**Stay awake**” “**Be ready**” so that He Knows you're expecting Him.

**STAY AWAKE! COME LORD JESUS.**

*As we light this first candle of the Advent wreath together, Lord, grant us hope. As trees lose leaves and temperatures drop, we feel that the new life of Spring is far away.*

*May the Advent candlelight shine like our commitment to one another, that we can find wisdom and strength in reaching out and holding one another's hope. Like Mary and Joseph on the journey to Bethlehem, may we remain hope-filled through all of the challenges set before us on the way.*
