Nobody walks Alone

Of't times when the highway of life seems rough
And all of your dreams have flown,
Just remember, wherever your road may go,
Nobody walks alone.

When everyone else has let you down
And under your sins you groan,
Just keep reminding your burdened heart,
Nobody walks alone.

Then suddenly you'll feel Gods hand in yours,
And His eyes lifting up your own,
And you'll hear His gentle, forgiving voice:
"Nobody walks alone"

This Sunday June 16th, the Church will mark **Day for Life 2024**

Blessings for Father's Day

When did the Celebration of Father's Day begin?

Father's Day was **first celebrated on June 19th, 1910** in the USA. Mrs. Sonora Smart Dodd, a woman whose father, William Smart, had brought her and her five siblings up single handed wanted to celebrate all that her father meant to her. The story goes that she decided to institute "**Fathers Day**" after hearing a Mother's Day sermon. It is now observed around the world and celebrated in most countries on the Third Sunday in June, in 2024 it is this Sunday **June 16th**.

Father's Day Prayer

God our Father, in your wisdom and love you made all things. Bless those fathers who have taken upon themselves, the responsibility of parenting. Bless those who have lost a spouse to death, separation or divorce who are parenting their children alone. Strengthen them by your love that they may be and become the loving, caring persons they are meant to be. *Grant this through Christ our Lord. Amen.*

A Father's Day Blessing !!

You seem so strong and steady as I watch you day to day, but I know you're just a softy, Dad...so what else can I say! You've never been too strong or proud to treat me tenderly, or play a game, or watch TV, or be there just for me.

I love the way you've made me feel so safe and so secure, even though these times are hard, and nothing is for sure. I sometimes can't believe how much you sacrifice for me, so this Father's Day I pray that you will be blessed abundantly.

I'm still your little child, who feels special in your eyes, when you overlook my failures and encourage me to try.

I think you are the wealthiest of men to walk this earth, because you've given me the greatest gift.....a sense of my self worth. So never waste time "wishing" for what some would call success. To me, you are a Hero, Dad, and I've been truly blessed.

Happy Fathers Day to all Fathers.... this Sunday **June 16th, 2024**. Remember and pray for those who have gone to their Heavenly Home and those estranged from their families.
