Harvest Time

There is so much beauty in living
But sometimes we miss the full glow,
Like the coral dawn in the morning
Like the whipped-cream clouds as they flow.

Like the rainbow ribbons in unison
Like the splendor of roses in bloom,
Like the diamond stars in full glitter
Like the blossoms midst fragrant perfume.

There is joy in the heart-beat of prayer
There is delight in the warm gentle rain,
There's His love spinning 'round us forever
And the joy of our Faith to sustain.

There are dream seeds that need to be planted
And in due course the harvest will bring
A new dawn to greet tomorrow,
A new heart with a spirit that sings.

So let us plant a garden
In someone's heart and believe,
And as a result grow much richer
For we each shall partake and receive.

Thought for the week.....

Time is really the only capital that any human being has
and the only thing we can't afford to lose.
