## Harvest Thanksgiving

Harvest Thanksgiving Prayers will be offered at all Masses in the parish this week end Saturday/Sunday October 12th/13th.

Harvest festivals are traditionally held on or near the Sunday of the Harvest Moon, this is the full moon that occurs closest to the autumn equinox. It is a time that reminds Christians of all good things that come from God. It is a celebration of the fruits of the earth; food grown on the land and in the sea.

This year despite the inclement spring, summer and autumn we need to give thanks for the **Harvest:-** farmers for the grain, potatoes, milk, grass and all other crops.

Gardeners for the abundance of vegetables, fruit and flowers.

Wild fruits, nuts, leaves and seeds for our wild animals and birds.

### Harvest Reflection

*We thank You for the gift of sunshine and rain in due season, of seed, soil and harvest, provision for our needs and others, if in love we share.*

*We thank You for the gift of living water that does not run dry and the nourishment of Your Word which feeds our souls and others, if in love we share.*

*We give You thanks for the fruits of the earth in their season and for the labours of those who harvest them. For the promise of harvest contained within a seed we thank You. For the oak tree within an acorn.*

*The bread within a grain. The apple within a pip.*

*The mystery of nature gift wrapped for us to sow, we thank You. Creator God, provider of all we bring our thanks and prayers to You for this years Harvest as farmers are already preparing to sow some winter crops for Harvest 2025.*
