We Give Our Loved Ones Back

During November we concentrate on remembering our deceased loved ones. We pray for all those who have gone from this earthly life to their eternal reward. We also remember and pray for those who have no remaining family or friends to pray for them. We ask God to especially heal the pain of those who are recently bereaved while also remembering all other bereaved, particularly those experiencing complicated grief. Pray for each other as we journey through the month of November. We all experience bereavement at some stage in our lives and November is a time of *Remembrance and Thanksgiving* for the lives and memories of our departed loved ones. At this time we are all in each others prayers as *we have given our loved ones back to God.*

We give our loved ones back to God.

*And just as he first gave them to us
and did not lose them in the giving,
so we have not lost them
to Him....*

*for life is eternal,
love is immortal,
death is only a horizon
and a horizon is nothing
but the limit of our earthly sight.*

*There is no night without a dawning.
No winter without a Spring,
And beyond death's dark horizon
Our hearts once more will sing-
For those who leave us for a while
Have only Gone Away
Out of a restless careworn world
into a "Brighter Day"*

Annual Mass for Bereaved November 16th

Most of November we concentrate on remembering our dead. The Holy Souls Novena, the visits to the graveyards are good but they make it impossible for people to avoid being revisited by the pain caused by the death of a loved one. Here in **Ballinhassig Parish** we have had sad, sudden and untimely deaths this year and in the past few years. Consequently we have many parishioners for whom November is a very sad and lonely month. The thought of facing Christmas and beyond without the departed loved one always brings enormous sadness in need of some ray of hope to dispel the darkness of grief.

Conscious of this the **Annual Mass for the Bereaved** will be held on **Saturday November 16th at 7.30pm in Ballyheada Church.**

All those who suffered a bereavement in the past twelve months, family members, neighbours and friends are especially invited to attend this **Special Mass.**

It is hoped this Special Mass will bring a message of hope, comfort and consolation to all who live with the pain of loss, especially the death of a loved one; separation; divorce; financial insecurity; loss of health both physical and mental and any other loss which we may endure as individuals.

As part of the ceremony everybody will be invited to bring a lighted candle, available at the door, to the altar on entering the church. These individual candles will then symbolise a community of hope with all our candles then lighting as one.

Everybody welcome on the night, we are conscious that we may not be aware of all parishioners who suffered bereavements of family members who resided outside the parish.

The night, however, is not only for those bereaved in the past twelve months, it is a night for remembering and praying for all who are grieving.

There is a great tradition of support and understanding in our parish at times of bereavement.

Mass on Saturday November 16th will be another opportunity to offer our sympathy, and support through being present and praying with our bereaved families, neighbours and friends.

All welcome.

Pray for one Another

We remember and pray for all our parishioners both at home and abroad who have been recently bereaved, those who had or are awaiting surgery, treatment, or are ill in any way, those facing their final days in this world.

For all who are addicted, lonely, feel forgotten or helpless, those dealing with difficulties in their daily lives, and for the intentions of those who cannot pray themselves at this time.

You are all in our thoughts and prayers.
