Christmas Greetings

At Christmas time our hearts reach out to friends we think of dearly and checking through our friendship lists, as all of us do yearly we stop awhile to reminiscence and pleasantly review special talks, happy times and things we used to do. And though we have been too busy to keep in touch all year we send a Christmas greeting at this season of good cheer. So Christmas is a lovely link between old years and new that keeps the bond of friendship unbroken and true.

(adapted from a poem by Helen Steiner Rice)

Gifts at Christmas

There are gifts to buy
And gifts to make
But there are other gifts
Worth while.
Being helpful
Being kind
And ready with a smile.
Being friendly
Doing things to please
I've made up my mind
At Christmas time this year
I'm giving some of these.

Merry Christmas Everyone.....

Prayer for Advent Week 2:- Peace

The four candles of the advent wreath symbolise, *Hope, Peace, Joy and Love.*

This week as we light the second candle of the Advent wreath, *Lord, grant us Peace.*

May the Advent candlelight shine like our commitment to one another, that we can find wisdom and strength in reaching out praying for peace for one another and for those throughout the world especially in countries of war and unrest.

God gives us the Gift of peace when we turn to him working together in faith.
