## Exam Prayers & Candle

The **Exam Candle** has been lit at all week-end Masses in the parish since the week-end of April 28th/29th and will continue to be lit until the end of the exams. Good luck to all students beginning the Leaving and Junior cert next week and remember those who have already commenced their exams. Intentions of students of all ages will be included in our weekly parish community celebration of the Eucharist and will continue until the end of the exams.

The following is a short Prayer for Exam Students

Dear Lord,  
Give me the spirit of calm to prepare well.  
Give me the spirit of wisdom  
to choose the right questions.  
Give me the spirit of reason to  
answer to the best of my ability.  
Allow me do myself justice.  
Help me be a source of encouragement  
for my classmates and friends.  
Guide me through the days ahead and  
keep me always in your care.

**May Your love be upon us, O Lord,  
As we place all our trust in you. Amen.**

#### ***This is what we are about:***

We plant seeds that one day will grow  
We water seeds already planted, knowing that they hold future promise.  
We lay foundations that will need further development.  
We provide yeast that produces effects beyond our capabilities.  
We cannot do everything and there is a sense of liberation in realising that.  
This enables us to do something and do it very well.  
It may be incomplete, but it is a beginning, a step along the way, an opportunity for god's grace to enter and do the rest.  
We may never see the end results, but that is the difference between the artisans and the workers. We are workers, not artisans, ministers not Messiah. We are prophets of a future not our own. *(Bishop Ken Untener)*
