## Remembering our loved Ones

Many people find November a difficult month, those that have been recently bereaved and those who carry the scars from a past painful bereavement. Most of November we concentrate on remembering our deceased loved ones. The Holy Souls Novena, the visits to the graveyard, while these are spiritually good for us they make it impossible for people to avoid being revisited by the pain and loss of a loved one.

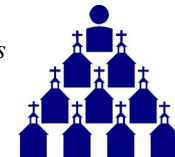

We hold dear the memory of those who have been a truly significant part of each of us. The gift of memory and its place within our hearts brings us great consolation. Our hearts are warmed by the comfort of others and slowly over time we begin to heal and embrace life once again as our loved ones would wish us to live. We ask God to heal our pain and sadness as the month of November is a time of Remembrance and Thanksgiving for the lives of our loved ones.

### Reflection

*Holy souls are special people  
Whom from us God did call  
We are left here broken hearted  
For we love them one and all.  
All we have left is just our memories  
Of the times when they were near  
Longing for those precious moments  
Wishing they were here.  
But death is not the end for us  
It is just an open door where some day we will be with them  
With more happiness that before.*

*Once again with all our loved ones  
All our sorrow it will end  
In God's home we'll be re united  
Parents, family and friends.  
So in this special holy month  
Remember them and pray  
Those holy  
souls our own  
dear loved ones  
to God are on  
their way.*
