**Death is a Gateway** we all must pass through to reach the Fair Land where the soul's born anew. For we are born to die and our journey on earth is a short span of years beginning with birth...

And like pilgrims we wander until death takes our hand and we start on our journey to God's Promised Land, a place where we'll find no suffering nor tears, where Time is not counted by days, months or years. And in this Fair City that God has prepared are unending joys to be happily shared with all of our loved ones who patiently wait **On Death's Other Side to open "The Gate"**

## Season of Mellow Fruitfulness

Summer has come to an end and fortunately this year after our wet and stormy spring weather conditions which impacted on everybody, we all enjoyed a beautiful summer. The beautiful weather was welcomed and enjoyed by all particularly the children on their school holidays, people holidaying within Ireland and foreign visitors to Ireland. The long fine summer was welcomed for family get togethers, and particularly by the farming community for harvesting the grain and various other crops.

Since the beginning of the year despite extremes of weather, untimely deaths, illness, financial and other personal difficulties, autumn is upon us once again. Holidays are over, routine has begun and the **weekly Newsletter** is back.

There is something special about the arrival of autumn, the leaves are turning gold, russet and red, wild fruits and berries are beginning to ripen, the days are getting shorter, and a faint chill is in the air. We pull out our favourite sweaters, and are drawn to the comfort of the hearth, and realise the seasons can be compared with the various stages of our lives. As we watch leaves fluttering to the ground we are reminded that nature's cycles are mirrored in our own lives.

Spring heralds new life and fast growth; the heat of the summer can equate to the period in our lives when our days seem long and the heated rush of life is all consuming. Then we reach the calm and beautiful season of autumn.

Our lives mellow along with the colours of nature; we slow down a little; we have a wealth of experience and gained knowledge upon which to meditate as we come to appreciate the natural order of things. Autumn is a time of letting go and releasing things that have been a burden. Nature gives us the gift of 'being,' the season is filled with magic and mystery, and when we reflect on the beauty around us, we are open to a whole new world of inspiration and love. Autumn reminds us of the impermanence of everything. We experienced the budding of life in spring and the flowering and profusion of summer.

As the leaves fall the bare branches remind us of the fleeting nature of all things, this is the same year after year.

## BALLINHASSIG PARISH NEWSLETTER TWENTY THIRD EDITION

This publication is the *Twenty Third Edition of the Ballinhassig Parish Newsletter*. Since its introduction in the autumn twenty three years ago it has been published voluntarily on a weekly basis from September to June.

Thanks to everyone who is involved in collecting and submitting news, the remaining few who distribute it to station areas and the many parishioners who were involved in any way with the publication over the years.

The newsletter is now produced, edited and printed in the *P.A.N. Centre (Parish Office)*. It contains both church related and news from individuals, clubs and organisations from all areas of the parish. The publication may look small, but it takes effort and dedication to keep it going week after week, year after year.

I hope you will continue to enjoy and support the Newsletter and that in the future it will continue to meet the parishioners needs as a means of communicating parish related information.

*I would like to take this opportunity to once again remind all individuals, clubs and organisations to continue to send in the news from all areas of the parish. It is essential that notices/news are received in the P.A.N. Centre by 2.00pm on Wednesday. Looking forward to your continued support and co-operation in the year ahead. (Mary O'Halloran, P.A.N.
