Remember what is most Important

Remember what is most important!!

God is Love

It's not having everything go right;
it's facing whatever goes wrong. It's not being without fear;
it's having the determination to go on in spite of it.
What is most important is not where you stand,
but the direction you are going in.
It's more than never having bad moments;
it's knowing you are always bigger than the moment.
It's believing you have already been given everything you need to
handle life. It's not being able to rid the world of all its injustices;
it's being able to rise above them.
It's the belief in your heart that there will always be
more good than bad in the world.

Remember to live just this one day and not add tomorrow's troubles to today's load.

Remember that every day ends and brings a new tomorrow full of exciting new things.

Love what you do,
do the best you can,
and always remember how much you are loved. (Vickie M. Worsham)

"On behalf of everyone involved with **Ballinhassig AFC**, the *committee of BAFC* would like to thank all those in our community who expressed their support and sympathy towards the club following the recent vandalism of both our playing pitches at Gortnaglough. It is distressing to all our club members that individuals would target us in this way, but even more worrying to think that these people are still out there among us in our area.

The event is currently being dealt with by An Garda Síochána, whom we must thank for their support and understanding in the matter. Particular mention must go to our local Garda Declan. If anyone has any information regarding this vicious and calculated act please do not hesitate to contact Ballinhassig Gardaí **4885102**.
