Dream God's Dream

And the Lord God said:-

I myself will dream a dream with you
Good dreams come from me, you know
My dreams seem impossible, Not too practical
Not for the cautious man or woman
A little risky sometimes, A trifle brash perhaps.
Some of my friends prefer to rest more comfortably
In sounder sleep with visionless eyes
But from those who share my dreams
I ask a little patience; A little humour;
Some small courage; And a listening heart.
I will do the rest
Then they will risk; And wonder at their daring
Run and marvel at their speed
Build and stand in awe at the beauty of their building.

You will meet me often as you work
In your companions who share your risk
In your friends, who believe in you enough to lend their own dreams
Their own hands; Their own hearts; To your building.
In the people who will find your doorway
Stay a while, and walk away knowing they too can find a dream
There will be sun filled days and sometimes it will rain, a little variety.
Both come from me. So come now, be content.

It is my dream you dream
My house you build;
My caring your witness;
My love you share.

Amen.
