Blessings of a new Day

A Morning Prayer

Somewhere, out at the edges, the night
Is turning and the waves of darkness
Begin to brighten the shores of dawn.
The heavy dark falls back to earth
And the freed air goes wild with light,
The heart fills with fresh, bright breath
And thoughts stir to give birth to colour.

I arise to Day:-

In the name of Silence
Womb of the Word,
In the name of Stillness
Home of belonging,
In the name of Solitude
Of the Soul and the Earth.

*There is sunshine
in my soul today.*

I arise to Day

Blessed by all things, Wings of breath,
Delight of eyes, Wonder of whisper,
Intimacy of touch, Eternity of soul,
Urgency of thought, Miracle of health,
Embrace of God.

May I live this Day

Compassionate of heart, Gentle in word,
Gracious in awareness, Courageous in thought,
Generous in love. Amen.
