Finance Committee writes.....

School Site Ballygarvan

This weekend in the final newsletter until September we see the publication of the **2016 Parish Accounts**. The **Parish Finance Committee** would like to take this opportunity to thank all our parishioners for their generous and unfailing support. In continuing challenging times for people, your generosity in not something we take for granted.

As you will see, but for the transfer of the remaining €41,723 from the deposit account, **we would show a deficit or annual loss in 2016 of €25,168**.

Last year, in preparation for the **10 year lease to Ballygarvan Community Association**, the **old school site in Ballygarvan was divided in two**. The left hand side, comprising of the buildings is leased for 10 years at a nominal sum, to Ballygarvan Community Association. The right hand side, which is the concreted yard, is a separate piece of land. In light of the need for the parish to be able to carry out some present and future work, have some funds available for unforeseen works and maintenance that arise and the continuing upkeep of our three churches, which are almost 200 years old, the **Parish Finance Committee**, with the support of the diocese, **has decided to put the vacant side of the old school up for sale**. The sale of the right hand side of the property will not effect the lease to the Community Association as that site is not the one being put up for sale.

The situation was outlined earlier last week in a meeting with three of the Officers of the **Ballygarvan Community Association and members of the Parish Finance Committee**.

Wishing you all a safe and hopefully warm summer.

Patsy Galvin, Chairperson Parish Finance Committee
Fr. Christy Fitzgerald P.P.
