Finance Committee writes...

Purpose of Church Envelopes?

There are a variety of envelopes used for church collections and many people are confused about what is for what purpose.

In any parish there are two purposes for which money is collected.

PARISH INCOME (maintain parish)
PRIESTS INCOME (personal income)

Parish Income comes from the Saturday/ Sunday and Holyday collections, Standing orders, Direct Debits, Annual Cheques, Graves and Tax Refund.

These are lodged to the Parish Bank Account and used to run the Parish.

Our building and development projects are also financed out of this. None of that money is used by the priest for a source of personal income.

Parish Income is primarily used for:

Altar supplies (breads, wines, candles, altar linens, church cleaning);
Church Heating: Electricity/ Gas/Oil;
Insurance; post; telephone; stationery;
Sacristans, secretary payments;
Repairs & maintenance of churches, presbytery;
Loan Repayment;
Diocesan levies (8% and 10% contributions)

There are two church collections which go to the priest as part of their income.

The collection on **Christmas Day and Easter Sunday.**

Priests Income

The priest is not paid a salary but receives his income from voluntary offerings of parishioners. The way these are collected can vary from parish to parish. *In Ballinhassig parish the priests income comes from the following:*

Station Dues spring & autumn;
Petrol collection autumn stations;
Christmas & Easter offerings;
November Novena offerings;
Baptisms; Marriage & Funeral offerings; Mass offerings week end & week day.

Special Collections are lodged directly to their accounts

Details of Parish Income & Expenditure are submitted to the diocese annually and published in the parish newsletter annually.
