## WE'RE NEARLY THERE!!!

Fr. Christy.....

It has been a long hard slog for everyone. Three lockdowns, restrictions everywhere, and serious efforts made by so many to keep each other safe. These past weeks have seen the lifting of a number of the restrictions and we look forward, with God's help, to further lifting of the regulations on October 22<sup>nd</sup>.

We have been so blessed by the generosity of so many people who have served in difficult roles during the pandemic on the Parish Covid Committee, as Stewards, Sanitisers and those who locked our churches. A special thanks to our Sacristans for whom the last 18 months have been so challenging.

Thank you to our parishioners for your understanding and cooperation with all the restrictions, only a few more weeks and it will be easier, and your continued generosity in the financial support of our parish. One of the things that has been discussed by the Parish Covid Committee is mask wearing in the church.

While a lot of things will be eased the Parish Covid Committee will be asking us all, given that our numbers will not be restricted after the 22<sup>nd</sup> October, and for the continued safety and wellbeing for everyone that we continue to wear masks in the church for a while to come.

Church and the Eucharist is about people, about being a faith community. Its about one another, it's about caring and responding to one another's needs. Let us continue to do so into the future.

## Ballinhassig Parish Newsletter THIRTIETH Edition

Holidays are over, following an unprecedented summer, routine has begun and the **weekly Newsletter** is back along with our autumn weather. This publication is the **Thirtieth Edition of the Ballinhassig Parish Newsletter**. Since its introduction thirty years ago it has been published voluntarily on a weekly basis from September to June.

Thanks to everyone who submits news, the remaining few who distribute it to station areas and the many parishioners who were involved in any way with the publication over the last thirty years. At this time we also remember all those who read the newsletter or were involved in any way in its production and distribution who have gone to their heavenly homes.

The newsletter is now produced, edited and printed in the **P.A.N. Centre (Parish Office)**. It contains both church related and news from individuals, clubs and organisations from all areas of the parish. The publication may look small, but it takes effort and dedication to keep it going week after week, year after year.

We hope you will continue to enjoy and support our Newsletter and that it will continue to meet the parishioners needs as a means of communicating parish related information.

We would like to take this opportunity to once again remind all individuals, clubs and organisations to continue to send in the news from all areas of the parish. It is essential that notices/news are received in the **P.A.N. Centre (Parish Office) by 2.00pm on Wednesday;**
