AN UNEXPECTED CHANGE

Life can change when we least expect it. A person having gone through a difficult time, emotionally, physically or mentally can become transformed changed in a good and positive way. Even for ourselves a simple experience can transform us and our mood in a most unexpected way. As we watch the continuing war in Ukraine we can become despondent and yet an act of kindness or generosity by other people can equally uplift us.

For Peter, James and John, they had no idea what was about to happen as they journeyed up the mountain with Jesus. It was an experience that was to change them definitely and Jesus was shown literally in a new light to them. They got a glimpse of heaven and an experience of what being with Jesus may be like after his resurrection, even though they didn't know that at the time.

Our Lenten journey is entering its second week. Life seems to be resuming to some sense of normality after the two years of restrictions during the pandemic. Yet many continue to be cautious as they are aware of how widespread Covid still is.

May our Lenten time help us to overcome the challenges we face individually and as a people. May Lent make us stronger and may we, like Peter, James and John be transformed also. May our continuing generosity to Trócaire help people like *Thandekile, and her children.*

St. Patrick Patron of Ireland

It can be difficult to separate fact from fiction in the life of **St. Patrick**, not unusual when he was probably born more than 1,600 years ago. His life is a wonderful example of how God brings good out of evil. He tells us in his "confessions" how he was brought to Ireland to work as a slave at the age of sixteen, until that time he had little knowledge of God.

During this time he converted many, ordained priests, divided the country into dioceses, held church councils, founded monasteries for both sisters and brothers, throughout the country. **Patrick** is the **Patron Saint** and credited with bringing Christianity to Ireland.

In his loneliness and isolation he discovered the Lord, praying as many as 1000 prayers by day and the same by night as he tended the sheep on Sliabh Migh. Finally escaping, probably to France, he could not forget the needs of the pagans in Ireland. He was consecrated bishop at the age of forty three.

In a dream it seemed the people of Ireland were calling on him to return. Patrick took this as a call from God and lit a flame on the hill of **Tara** on **Holy Saturday** night which has never since been extinguished.

The "**Breastplate**" of **Saint Patrick** gives us a good example of his spirituality.

*Christ with me,
Christ before me,
Christ behind me,
Christ in me,
Christ beneath me,
Christ above me,
Christ on my right,
Christ on my left,
Christ when I lie down, Christ when I arise,
Christ in the heart of every person who thinks of me,
Christ in the mouth who speaks of me,
Christ in the eye that sees me,
and Christ in the ear that hears me. Amen.*

LENTEN PRAYER & REFLECTION

During Lent, on **Wednesdays** a short **Prayer Service /Reflection** will continue in **Ballygarvan Church** at **7.30pm** led by **Rev. John Guirey**.

Lent encourages us to **stop**, to take a **look** at our lives, to see where we are going. We are challenged to learn once again what it means to be a follower of Jesus. In this season of Lent we need to turn our attention to our **inner preparation** for Easter. **All welcome.**
