## Welcome Fr. Danny

I know Fr. Danny introduced himself to you three weekends back, but in his humility, he forgot to mention to you that he was also an academic, having a doctorate in English. Fr. Danny, on behalf of the people of Ballinhassig and myself, I'd like to welcome you as our Parish Priest. We wish you every success in your new role.

We have a strong faith community here. The parishioners here are willing and able to support you in the enhancement of our faith. We are all aware of the difficulties and challenges that lie ahead. I hope Fr. Danny, that you will draw on the support of the local community as we face a new era where lay people will be paramount to the survival of our faith. As individuals, like the lone honeybee, we can do very little, but collectively, our faith will move mountains.

May the Holy Spirit guide you Fr. Danny in leading the challenges that lie ahead.

## Safeguarding Month

The 2021 parish safeguarding audits showed that children's ministry in parishes is slowly returning following the pandemic. We actively encourage children to be involved in the Church and we have developed procedures, policies and forms to assist parishes in this Ministry. For further guidance or assistance with restarting children's ministry, Cleo Yates, Diocesan director of Safeguarding will be more than happy to assist and can be contacted via the Diocesan Office.

## TEAM HOPE SHOE BOX APPEAL 2022

Team Hope's Christmas Shoebox Appeal is an annual campaign that delivers gifts straight into the hands of children affected by poverty. It has been three years since we last planned **Team Hope Shoe Box Appeal in Ballinhassig Parish** due to unprecedented times in our world.

It's been another difficult year for many covid, economically, weatherwise in the spring, personal loss and tragedies, illness and bereavement, but for the children who receive your shoe box gift it will have an impact far greater than you can imagine, as well as all the great gifts, you will bring smiles laughter and hope to children who think the world has forgotten them.

Worldwide pandemic and recession makes no difference to them, they live with recession and poverty all their life. They are forgotten children, victims of war, diseases and poverty, living on the edge in some of the poorest countries in the world. Christmas is just another ordinary day, nothing special, no Christmas tree, no presents. But your shoebox can bring a little hope and a practical expression of God's love at Christmas time. **A shoebox won't change the world, but it might just change the world for one child**, it can do far more than we can imagine, by bringing Christmas to children who have never experienced anything like it before.

The project simply works by asking people to fill an average sized shoe box or plastic container, **wrap the box and lid separately with Christmas paper**. This year boxes from Ireland will once again go to **Eastern Europe and Africa**. The boxes are given to children regardless of their nationality, political background or religious beliefs. *It is time to start collecting items for you box. (More details next week)*
