## Trinity Sunday

Today's celebration embraces God in all three persons. It was during the Middle Ages that this Sunday became widely observed as a separate feast.

The relationships in the Trinity are relationships of love. The reflection on this mystery is not in terms of philosophy but of Christian living. The unity and harmony of the life in the Trinity is to be the aim of each community where love is, there God is.

I asked the Lord to bless you  
in such a special way.  
That you will know within your heart  
that someone prayed for you today.

I asked God grant you strength and happiness  
and a special answer to your prayer.  
To wrap you in His arms with His protecting care.

I asked that He fill each day ahead of you  
with blessings from above.  
So that you will know today and always  
the fullness of His Love. Amen.
